

## STEAMDISHWASHER™

Stainless Steel

### LDF7932ST

#### Steam Cleaning

Allows for thorough cleaning of baked on foods while using less water than other power scrub methods. Also allows for enhanced cleaning performance when cleaning fine china and stemware items on delicate cycle. The gentle power of steam!

#### LoDecibel™ Quiet Operation

Very Quiet – This dishwasher is among the quietest in its class with a built-in food disposer at 50dB.

#### Fully Integrated Controls

The controls are integrated on the top of the door allowing for a sleek and sophisticated outward appearance.

#### Signalight™ LED Cycle Indicator Lights

The LDF7932ST SteamDishwasher™ showcases two LED lights signifying the status of the wash process – blue indicating the wash process and green signaling completion.

#### Tallest Tub with Maximum Capacity

- 16 place setting capacity
- Holds up to 12" dishes and stemware on the upper rack and up to 14" dishes, pots, and pans on the lower rack
- Flexible storage features such as fold down tines, removable tines, 3-in-1 cutlery and stemware holder
- The Design-A-Rack™ System allows for removable and adjustable tines, and an upper rack that is easily adjusted for maximum capacity

#### Dual Intensity™ Wash Cycle

This setting enables you to fully customize the wash cycle intensity for the upper and lower racks independently – all in the same load.

#### SenseClean™ Wash System

The turbidity of the water is automatically measured during the first rinse. The water and cycle time are adjusted based on the need for more or less cleaning. This not only provides excellent cleaning, but water and energy efficiency as well.

ENERGYSTAR® qualified models exceed the Department of Energy standards for energy consumption by at least 25%. LG's Energy Star dishwashers allow consumers to save money, energy and protect the environment.

# STEAMDISHWASHER™

## Additional Features

- Stainless Steel Extra Large Tub
- Hybrid Condensing Drying System
- Built-In Food Disposer

## Integrated Controls

## Steam Nozzles

## Large Capacity

LDF7932ST

CAPACITY	
Total Place Settings	16
Design-A-Rack™ System:	•
Adjustable Upper Rack	One-Touch 2" height
Maximum Height of Upper Rack	Holds up to 12" dishes and stemware
