REFRIGERATORS

LFX25975/LFX21975 (Cabinet Depth) French Door Refrigerator

Sophisticated Design, Inside & Out

With LG's exclusive styling package you get contoured doors, hidden hinges, and other features that present a sophisticated and refined look. The interior of the refrigerator adds to this look with recessed LED lighting and an integrated crisper and deli storage center.

Tall Ice & Water Dispensing Center

The dispenser is nearly 12" tall – the upfront tap, retractable pitcher rest, and dual activation make it easy to fill most shapes and sizes of containers with the safe and clean water you love.

SpacePlus™ Ice System

LG's SpacePlus™ Ice System is located on the inside door freeing up valuable shelf space in the fresh food compartment.

4 Compartment Crisper System

Our unique design arranges the storage drawers to give you more versatility and organization that keeps your garden-fresh fruit and vegetables and vital cold cuts ready to serve. This refrigerator comes with a full-width, temperature-controlled Glide N' Serve™ drawer, twin humidity-controlled crispers and a bonus drawer that is perfect for delicate perishables.

Cabinet Depth (LFX21975)

Designed to match the depth of your kitchen cabinets, so it'll fit right in!
