## Product Specification

Grab bar shall be of metal construction. Product shall include installation hardware. Product shall be available with traditional, transitional, or contemporary styling. Product shall be Kohler Model K-\_\_\_\_\_-\_\_\_\_\_.

## Installation Notes

Install this product according to the installation guide.

The styling of the product may differ from the product diagram. The dimensions still apply.

This product must be located and mounted to a wall stud.

To avoid possible water damage behind the finished surface, it is recommended to apply silicone sealant into the drilled holes before securing the wall plates to the finished surface.
