

Philips Convenience
GuideLight White

69112/31/48

Guide your way without disturbing others

A reassuring friend at night, perfect bedtime companion of children. It produces a safe, comforting glow that turns itself on when there is a movement nearby, yet is soft enough to not dazzle sleepy young eyes.

Freedom of placement

- Battery operated, no need to connect to mains while in use

Ease of use

- Infra red motion detector for automatic switch on
- Easy wireless induction charging no hassle with wires

Safe to use

- LED technology is cool to touch
- No open electricity

Ambiance light effect

- Romantic soft glow of constant light in elegant design

Light effect

- Orientation light for dark areas

PHILIPS
sense and simplicity
