

RAINBOW Accents®

Rainbow Accents®

- Rainbow Accents® furniture is constructed from thermo-fused laminate
- Scratch resistant double-sided laminate for E-Z cleaning
- Choose from eight different Rainbow Accents® edgeband colors

Thermo-fused Edgebanding

- Thermo-fused edgebanding is stronger than t-molding
- Thermo-fused edgebanding means no place for germs to hide
- Available in several colors

KYDZHinges®

- KYDZHinges® are full length piano hinges that minimize the chance of pinching little fingers
- KYDZHinged doors are attached with a minimum of nine screws each and will pivot 270° making it difficult to separate the door from the unit

KYDZ Safe®

- All edges, front, back and base are fully rounded to create KYDZ Safe® edges
- Recessed backs enhance the strength and appearance
- Most Rainbow Accents® products have Write-n-Wipe backs

Caster Brackets

- Caster brackets are installed on all mobile storage units with kickplates
- Adds triangular strength to corners where most stress occurs
