

E20726-18 - Strato 4-Light Pendant

"Beam me up Scotty," because this collection looks like it came from a trek to the stars. Stark and dramatic at the same time, this engineering marvel is made up of 3 levels of stacked thick beveled glass completely hung on a chrome housing that contains the Xenon lamps. The perfect application for a modern kitchen or a workstation in the distant future, the impression it gives is out of this world.
