

LED COLOR CONTROLLERS AND ACCESSORIES

Catalog No.	Description
39-98909	recess mount manual/auto RGB color controller (Fit with electric 2 gang J-Box)
	<ul style="list-style-type: none"> • Input 24V DC, 2.5A • Recess mount controller, suitable for 2 gang j-box • 4 dip switches: automatically run 16 presaved color changing patterns • 3 manual RGB color channel mixer • Size: 5.1" x 4.0" x 1.3" • Option 1: use with 39-98700-A-24 DC 60W power supply • Option 2: use with 39-LD100-24 100W constant voltage driver • Suitable with the following LED RGB strips and ribbons 55-71100-RGB, 55-71400-RGB 55-70120-RGB, 55-70220-RGB, and 55-70320-RGB 55-70330-RGB, 55-70430-RGB, and 55-70530-RGB 55-73010-RGB, 55-73020-RGB, and 55-73040-RGB

Catalog No.	Description
39-98903	surface mount warm white - cool white color mix controller
	<ul style="list-style-type: none"> • Input 24V DC, 2.5A • Surface mount mix color controller • 2 manual warm white/cool white channel mixer • Size: 4.5" x 2.5" x 1.6" • Option 1: use with 39-98700-A-24 DC 60W power supply • Option 2: use with 39-LD100-24 100W constant voltage driver • Suitable with the following LED mix white strips 55-72100-MW, 55-72400-MW

Catalog No.	Description
39-98910	recess mount warm white - cool white color mix controller (Fit with electric 2 gang J-Box)
	<ul style="list-style-type: none"> • Input 24V DC, 2.5A • Recess mount controller, suitable for 2 gang j-box • 2 manual warm white/cool white channel mixer • Size: 5.1" x 4.0" x 1.3" • Option 1: use with 39-98700-A-24 DC 60W power supply • Option 2: use with 39-LD100-24 100W constant voltage driver • Suitable with the following LED mix white strips 55-72100-MW, 55-72400-MW

Catalog No.	Description
39-98906	surface mount warm white - cool white color mix controller
	<ul style="list-style-type: none"> • Input 24V DC, 2.5A • Surface Mount Mix Color Controller • 2 Manual Warm White/Cool White Channel Mixer • Size: 4.5" x 2.5" x 1.6" • Option 1: Use With 39-98700-A-24 60W DC Power Supply • Option 2: Use With 39-LD100-24 100W Constant Voltage Driver • Suitable With The Following LED Mix White Strips - 55-73010-MW, 55-73020-MW

Catalog No.	Description
39-98913	recess mount warm white - cool white color mix controller (Fit with electric 2 gang J-Box)
	<ul style="list-style-type: none"> • Input 24V DC, 2.5A • Recess mount controller, suitable for 2 gang j-box • 2 manual warm white/cool white channel mixer • Size: 5.1" x 4.0" x 1.3" • Option 1: use with 39-98700-A-24 DC 60W power supply • Option 2: use with 39-LD100-24 100W constant voltage driver • Suitable with the following LED mix white strips - 55-73010-MW, 55-73020-MW

• See Page 79 for driver selection
