<p>Item: E20100-19</p> <p>Collection: Prisms</p> <p>Finish:</p> <p>Glass: Lead - Glass</p>		

"Design is so simple, that's why it is so complicated." Nothing proves this point as well as this elegant pendant. Prisms is comprised of simple, solid crystal rods with integrated lamp holders, elegantly suspended by aircraft cables. This low-voltage masterwork quietly boasts a chrome finish and invites multiple applications to increase the simplicity of its functional grace.
