<b>Item:</b> E20215-11 <b>Collection:</b> Metro <b>Finish:</b> <b>Glass:</b> Matte White		

*An object d'art, or a graphic statement, Metro punctuates a space. Trilled-smoked sand-blasted glass shade with matte finish design in white or black, Metro works well in multiple installations and is highly compatible with the Graffiti line. Single 60w light source throws off plenty of light while adding a touch of artistic flair.*
