

Enhance accessibility and safety within and around the bath with straight or curved grab bars. Grab bars are available for most models of tubs and may be added to the flat side surfaces of the tub. MTI will install the grab bars in the best possible location unless otherwise specified by the customer. See specific tub model specification / pricing page for part number and price.

### Curved Acrylic

- Curved acrylic grab bars are available in white, bone, biscuit and almond, as well as clear with chrome, brass or brushed nickel accents.
- Overall length 9" (set of 2)
- In some cases one 12" grab bar is installed instead of two 9" for aesthetic reasons.

### Modern Straight Metal

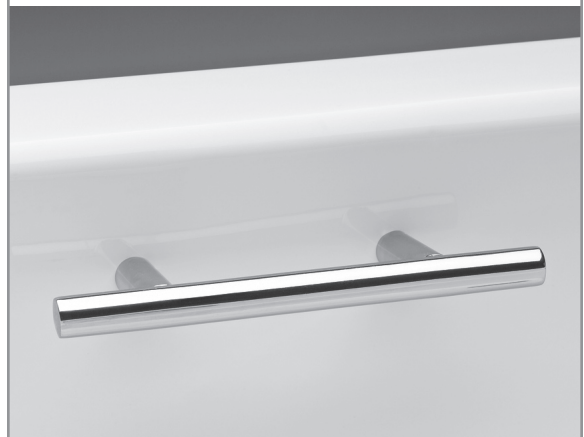

- Modern straight metal grab bars are available in chrome, brushed nickel or polished nickel.
- 2 sizes available:
  - 9" (set of 2)
  - 12" (single)

### Curved Metal

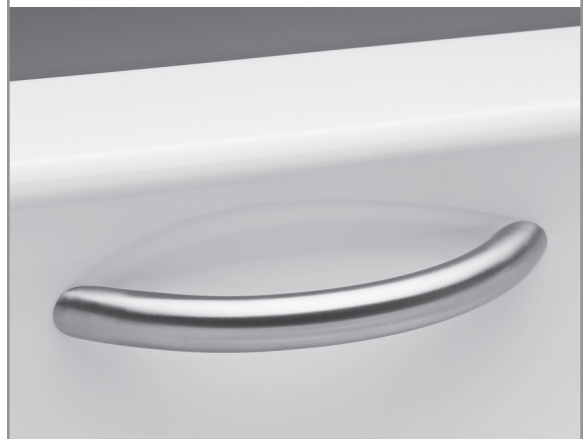

- Curved metal grab bars are available in chrome, brushed nickel or polished nickel.
- Overall length 9" (set of 2)
