General Track Information

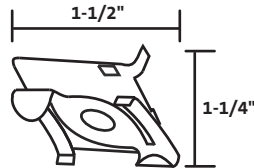

The track mounting accessories allow Con-Tech 1-Circuit and 2-Circuit track to be mounted with stems or cables to T-Bar ceilings, drywall or to junction boxes. Con-Tech recommends using a **minimum** of (2) mounting points for 2', 4' and 6' track sections, (3) mounting points for 8' sections and (4) mounting points for 12' sections of track.

Components are available in the following finishes: B (Black), P (White), U (Unfinished), S (Silver). Installations are suitable for dry locations only.

1-Circuit/2-Circuit Track Accessories

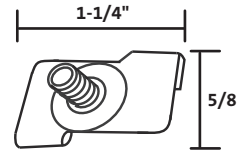

LA-1
15/16" Grid Stud Type T-Bar Mounting Clip
#8-32 x 5/8" Long Studs. Finish: -P

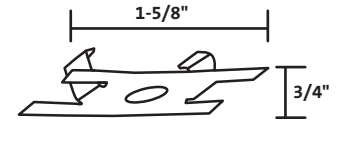

LA-1A
15/16" Grid Slide-On Style T-Bar Clip
Fits into channel in back of track. May be spaced to 4'. Finish: -S

LA-1B
15/16" Grid Deep Tile T-Bar Clip
Fits into channel in back of track. May be spaced to 4'. Finish: -S

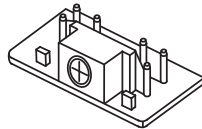

LA-1C
9/16" Grid T-Bar Clip
#8-32 x 5/8" Long studs, Finish: -P

LA-1CB
9/16" Grid Deep Tile T-Bar Clip
#8-32 x 5/8" Long studs. Must be used with LA-1CB SPACER. Finish: -S

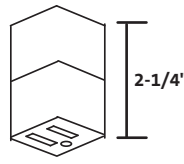

LA-1CB SPACER
Spacer for Deep Ceiling Tiles
Must be used with LA-1CB. Finish: -S

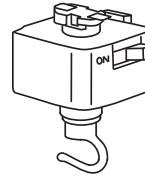

LA-11
1-Circuit Replacement End Cap
Supplied with track. Finish: -B, P, U

LA-211
2-Circuit Replacement End Cap
Supplied with track. Finish: -B, P, U

LA-16
Grounded Outlet
Integral on/off switch, track polarity indicator. Max. 5 Amp capacity. **Not UL Listed.** Finish: -B, P

LA-117
Planter or Utility Hook
Non-electrical, Not UL Listed. 10 lb. capacity. Finish: -B, P

LA-241
Wireway Cover
For 2-Circuit T-Bar and Drywall Pendant Feed Kits. Use with LA-210 and LA-210A Live End Feeds. Finish: -B, P

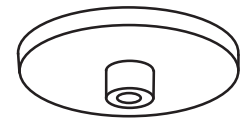

8T FRT INSERT
8' Front Insert
Decorative method of closing access to conductors. Required in lower installations. Can be field cut. Finish: -B, P, S

TA-4
4' Plastic Cover For Track Raceway
TA-8
8' Plastic Cover For Track Raceway
For 1-Circuit track. Slides Into Back Of Track, Field Cuttable. Finish: -B

LA-50
Swivel Stem Kit for Sloped Ceilings
Includes J-Box hardware, canopy cover, swivel adapter and mounting bracket for back of track. Less stem. Can be used for power feed. Finish: -B, P

LA-54
Plastic Canopy with Set Screw
For use with LA-51, LA-5112, or LA-5118 to cover T-Bar attachment. Finish: -B, P

1-Circuit/2-Circuit Track Accessories

LAC-24 - 24" Steel Cable
LAC-48 - 48" Steel Cable
LAC-180 - 180" Steel Cable
Cable Mounting Kit
 Includes clip for 15/16" wide T-Bar, fully adjustable cable grip and cable coupler, hanger bolt with a 1/4-20 stud, and steel toggle for looped cable mounting.

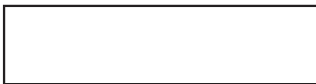

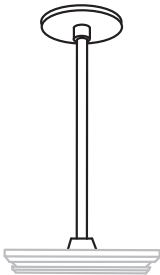

LACD-24 - 24" Steel Cable
LACD-48 - 48" Steel Cable
LACD-180 - 180" Steel Cable
Cable Mounting Kit with Toggle Bolt
 Includes fully adjustable cable grip and cable coupler, 3/16" toggle bolt and 1-7/8" diameter ceiling cover plate. For installation to dry wall ceiling.

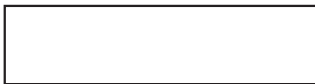

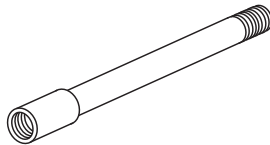

LA-53 - Kit without Stem
LA5312 - 12" Stem
LA5318 - 18" Stem
T-Bar Mount Feed Stem Kits
 Allows mounting of track to 15/16" Wide T-Bar Grid. Includes canopy cover (4-3/4" dia.), T-Bar mounting assembly, mounting bracket for back of track. Can be used for power feed. Finish: -B, P

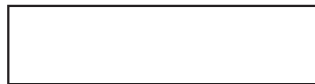

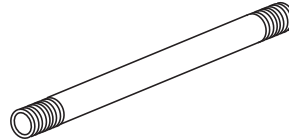

LA-51 - Kit without Stem
LA5112 - 12" Stem
LA5118 - 18" Stem
T-Bar Mount Stem Support Kits
 Allows stem mounting of track to T-Bar grid. Includes T-Bar clip, stem adapter, mounting bracket for back of track. Can not be used for power feed. Finish: -B, P

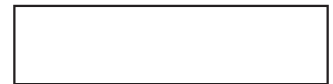

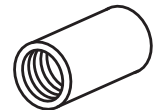

LA5012 - 12" Stem
LA5018 - 18" Stem
LA5018A - Kit without Stem
Junction Box Mount Feed Stem Support Kits
 Kit allows stem mounting of track to drywall ceilings. Includes J-Box hardware, canopy cover (4-3/4" dia.) and mounting bracket for back of track. Can be used for power feed. Finish: -B, P

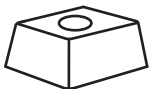

6" STEM
12" STEM
18" STEM
24" STEM
30" STEM
36" STEM
48" STEM (Coupling Not Included)
Threaded Steel Pipe Stem with Coupling
 Finish: -B, P, S

12" STEM(A)
18" STEM(A)
24" STEM(A)
Threaded Steel Pipe Stem without Coupling
 Finish: -B, P

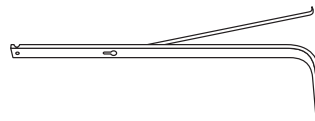

COUPLING
Coupling Only
 For use with STEM series.
 Finish: -B, P

LA-52 - 5/16"
LA-52-3/8 - 3/8"
Threaded Rod Mounting Kit
 Less rod (provided by others).
 Finish: -B, P

LA2409
24" Wall Track Extension Bracket
 Includes toggle bolt, washers and screws. 24" L x 1-3/4" W x 8-1/2" H.
 Finish: -B, P, S

LA3609
36" Wall Track Extension Bracket
 Includes toggle bolt, washers and screws. 36" L x 1-3/4" W x 8-1/2" H.
 Finish: -B, P, S
