Project

Specifications/Features

Housing

New Construction compact fluorescent downlight utilizes one vertical lamp in a parabolic reflector for maximum efficiency. Designed as a true universal housing, the RL113-IC may be used in all types of ceilings: suspended, dry wall and insulated. In addition, the housing is certified to meet the WSEC code for "air-tight" applications to save energy. An energy-wise replacement for the common R30 downlight.

Designed for new construction solid or suspended ceilings.

Fully adjustable hanger bars (12-3/4" min to 24" max.) May be positioned in either direction for installation flexibility.

Con-Tech's StopAire® design is approved for direct contact with ceiling insulation and meets Washington State's Energy Code. restricting air infiltration to 2.0 CFM or less.

Lamp/Electrical

(1) 13W T4, GX23-2 Base, DTT, 2-Pin
120V/60Hz .23 Amp.

Prewired Class P Thermally protected Normal Power Factor ballast. Labeled for 8 #12 AWG branch circuit conductors.

Trims

Wide range of trim models available to suit a broad range of applications. See CTR16 Series trim specification sheet for details.

Warranty

This fixture is covered by Con-Tech's full replacement guarantee which is effective for one year.

Labels/Usage

cULus Listed. Suitable for damp locations.

Accessories

- CTR1901-CLR - Black Baffle, Clear Specular Reflector
- CTR1901-WHT - White Light™ Clear Specular Reflector
- CTR1902-CLR - Clear Specular Reflector, White Trim Rings
- CTR1902-GLD - Gold Specular Reflector, White Trim Rings
- CTR1912-P - Albalite Shower Trim, Wet Location
- CTR1913-P - Fresnel Shower Trim (Lexan), Wet Location
- CTR1916-P - Drop Opal Shower Light, Wet Location
- CTR1916-PP - Drop Opal Plastic Shower Light, Wet Location
- CTR1331-P - Black Baffle Regressed Glass, Fresnel Lens
- CTR1331-WHT - Black Baffle Regressed Glass, Fresnel Lens
- CTR1332-P-CLR - Clear Multiplier, Regressed Convex, Prismatic Glass Lens
- CTR1332-P-GLD - Gold Multiplier, Regressed Lexan, Fresnel Lens
- CTR1332-P-WHT - White Multiplier, Regressed Glass, Fresnel Lens
- CTR11302-P-CLR - Clear Specular Aluminum Reflector, White Trim Ring
- CTR11302-P-GLD - Light Gold Specular Aluminum Reflector, White Trim Ring
- CTR11302-P-WHT - White Light™ Aluminum Reflector, White Trim Ring

- CTR-HC - Adjustable Hole Cutter With Case (1 13/16" - 6 5/8" Dia. Range)
- HB-30 - Optional T-bar hanger set. Use with RL16, RL20, RL30 and RL38 series.
- RL EM 2-PIN - Emergency Battery Back-Up Kit
- RL EM BRACKET - Bracket For Emergency Ballast

See Accessory Sheet for details.
