

## FEATURES & SPECIFICATIONS

### INTENDED USE

Provides general illumination in residential and light commercial applications. Ideal for use in offices and all rooms in the house.

### ATTRIBUTES

Sleek linear design with accenting white faux marble center strip and brushed nickel finials at each end. Durable, milk white acrylic diffuser provides wide spread, uniform illumination. Finials provide easy access for cleaning and maintenance. Available in three sizes: 1'x2', 1'x4' or 1-1/2'x4'.

Utilizes linear T8 fluorescent lamps for energy efficiency, superior color rendering and long life (not included).

Standard with 120 volt, 60Hz electronic ballast ensures no flickering and quiet operation without interfering with other electronics. Also available in other ballast configurations.

For use with non-dimmable switches only.

All mounting hardware included.

### LISTING

UL listed (standard) and CSA certified suitable for damp locations and ENERGY STAR® qualified. For non-RE ballast fixtures, UL (standard) and for CSA certified (see options).

### WARRANTY

Guaranteed for two years against mechanical defects in manufacture.
